

# ***LeisureCat*** ***Predator 40***

Solid Foam Collar RIB designed as  
a fast interceptor strike craft  
for Police patrol use

Powered by triple 300 hp 4-stroke outboards, it is capable of 55+ knots. With fuel capacity of 1100 litres, it has an operating range of more than 250 nautical miles at 35 knots of speed. It has the ability to turn inside 7 boat-lengths at 40 knots. The Predator 40 has a Deep-V hull with sufficient dead-rise to allow it to skim across the water at high speed, while retaining good stability in moderate offshore conditions. It has a solid foam collar. The recessed forward deck is accessed through the cabin.

*The Predator is extremely strong, with the hull being constructed using FRP with Kevlar Hybrid and Biaxial E-glass with Polyester Resin and a solid foam collar.*

*The Predator 40 is nominally fitted with 4 soft-rider seats for helmsman and 3 crew as well as a 3-man bench seat across the stern of the cockpit area with large stowage compartments under and forward cockpit area. Fuel tank is of stainless steel with an 1100 litre capacity.*

*The control station is fully moulded FRP and situated on the starboard side. It has ample room to house the full complement of instrumentation required for navigation and the control of the three x 300 hp outboard engines.*
